Dear Roy,

It is with great pleasure that we **congratulate** you for making the Dean's Honour List for the **Fall 2018** term.

This important achievement is only awarded to those who have earned academic distinction by achieving a Term Grade Point Average of **3.5** or higher.

Your addition to the Dean's Honour List reflects your hard work, dedication, and motivation to succeed at George Brown College, and you should be very proud of your accomplishments.

We share your pride in earning this honour, and have added your name to the *Dean's Honour List* posted close to the Administrative Office of your program area.

Congratulations again, and we look forward to celebrating your future successes at George Brown College.
